

JD Supra Names Foreside Consultants Top Compliance Authors for 2022 Readers' Choice Awards

March 22, 2022

Portland, Maine, March 18, 2022 –Foreside Financial Group, a leading compliance and distribution solutions provider, announced that two of their consultants have been named top compliance and securities authors for the [JD Supra 2022 Readers' Choice Awards](#).

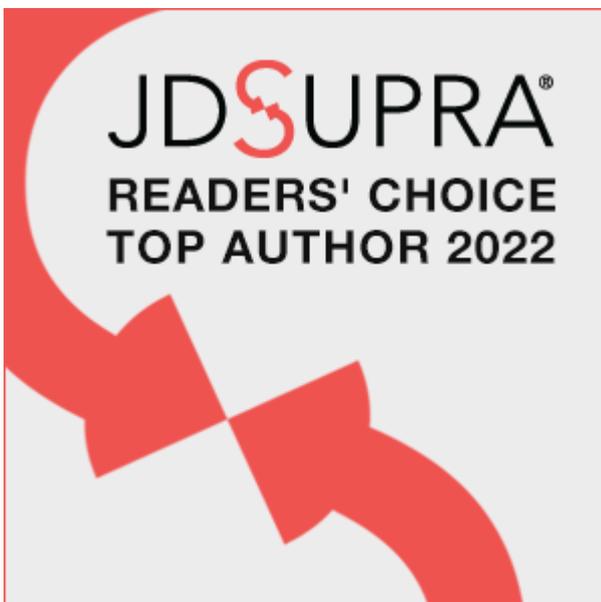

JD Supra, a legal and business medium that allows authors to submit timely content, competitive insights, and market intelligence, recently recognized 267 out of more than 65,000 authors that contributed to the platform in 2021.

From a pool of over 2,300 authors writing on FCPA, governance, enforcement actions, corporate culture, risk management, and myriad other related issues, JD Supra presented Foreside consultants with this prestigious award. Cari Hopfensperger, Senior Director, and Jaqueline Hummel, Managing Director, both of Foreside's Investment Advisory Consulting practice are two of the top 10 authors to receive this award.

Ms. Hummel was also recognized as a top author in the "Securities" category, distinguished out of a group of over 6,250 writing on the emerging and established issues surrounding securities laws. This year was not Jaqueline's first year winning these awards as she also won "Readers' Choice Top Author" for compliance in 2019, 2020, and 2021.

Cari shared “I am excited and honored to be recognized for this competitive award. Jaqi and I share a passion for writing and analyzing the regulatory topics most impacting our clients. Most importantly, we are guided by our goal to provide readers with practical thought leadership – actionable advice to help readers consider regulatory updates in the context of their own compliance programs.”

Compliance consulting services have continued to be at the core of Foreside’s offerings since its inception over 15 years ago. The firm continues to develop new products and services while evolving existing ones. The recognition by JD Supra gives Foreside’s clients the comfort of having access to industry award-winning thought leaders.
